We can't wait to see you there!!! 😊

Be on the Lookout!

Our **Fantastic Fifth graders** have designed license plates for the **3rd Annual Lee County Kids Tag Art** contest. Their unique artwork has been sent home with the students to show you, along with the order form details. **Jurors will select 2 Award of Distinction winners and they should be announced soon!**

Your child's **front-end specialty license plate art** will be **on sale** for friends and family to purchase at a discounted rate for a limited time. You can order your child's very own front-end specialty license plate artwork through the Lee County Tax Collector's website:

<http://www.leeschoolfoundation.org/programs/student-programs/kids-tag-art/>

or fill out the paper order form.

There are a bunch of *COOL* items available this year that can feature your child's art. They have ceramic coffee mugs for \$20.00, a license plate and key chain package for \$15.00; a bike plate for \$14.00 and \$6.00 for a key chain/ fob, just to name a few.

This a great way to support student art and proudly showcase their art on your vehicle, coffee mug or key chain. Please SUPPORT THE ARTS!!!!

Just in case you missed ordering in November...There will be another opportunity for you to order your 5th grader's license plate art in January. *More details to come.*
